

Winter in Kandersteg

Winter is a very special period in Kandersteg, filled with snow and winter sport adventures. BP-Trails will organise, tailor-made for you, a winter activity week with skiing, langlauf and/or snowshoeing. We have planned some activities at KISC for you, like a Centre Tour at the famous scout centre. In the evening there will be a traditional cheese fondue in a typical Swiss restaurant. And we will also visit Switzerland's biggest mountain, the Jungfrauoch, top of Europe! Visiting «Our Chalet» (WAGGGS Centre) in Adelboden and enjoying the mountain world there, are also part of the programme. You can stay at KISC or in one of the hotels in the village. A shorter weekend programme is also available.

Back in Baden Powell's footsteps

BP-Trails offers organised tours for active and/or former Scouts. Our trails follow the footsteps of our founder Lord Baden Powell. We will visit places that have played and still play an important role in the World Scout and Guide Movement and which bring you back to why Scouting is such an important movement. The combination of tourist highlights of the country you are visiting with Scouting's historic sites, offers an exciting mix.

We promise you a unique trip: full of scout memories and shared emotions, contacts with (former) scouts from all over the world, a view into the Scout Movement of today and tourist highlights.

The trips to Kandersteg International Scout Centre in Switzerland are all ready to book.

Kandersteg International Scout Centre

Kandersteg International Scout Centre (KISC) is a world centre of the World Organisation of the Scout Movement (WOSM). It is based in the Bernese Alps in Switzerland. The Centre was founded in 1923 by Lord Robert Baden-Powell, who, after the first World Scout Jamboree, had a dream about a place where all Scouts from all over the world could continue to meet. His dream came true and now you have the opportunity to visit Kandersteg International Scout Centre or come back to it.

KISC welcomes every year more than 10.000 Scouts from more than 40 different countries.

Summer in Kandersteg

The tour is organised in June and/or September, both beautiful months and not too busy periods in Kandersteg. You can stay at KISC or in one of the hotels in the village. BP-Trails will organise, tailor-made for you, a Scout Light Trail and a campfire, a Centre Tour at KISC, hikes to Oeschinensee and Gasterntal. And we will also visit Switzerland's biggest mountain, the Jungfrauoch, top of Europe! Visiting «Our Chalet» (WAGGGS Centre) in Adelboden and a day in Bern are also part of the programme. Workshops at KISC and a day in Zermatt conclude a successful programme. A shorter weekend programme is also available.

Donation to a specific Scout Project

Based on the idea that you give something back to the Movement, we will select together a specific project which BP Trails will donate to Kandersteg International Scout Centre. Your support is already included in the travel fee. Also included is one year free membership of KISC.

Kathey and John from the USA
Kathey (45) from the UK and John (46) from the USA have been a couple since they met at the World Jamboree in Australia in 1988. Kathey: «We are not active Scouts anymore but we follow the Movement through our children. Our oldest son, John jr. visited KISC a few years ago as a Scout. He was so thrilled about the place. We would like to visit this historical place as well. We chose to go with BP Trails to see also the highlights of Switzerland and meet people with the same background.»

Toby Suzuki (64) from Japan
I'm a member of the Scout Movement for 57 years. Last year the Japanese Scout Movement (Scout Association of Japan) decided to pay the renovation of the "Japan Room" at KISC. The pictures show a beautiful room, but I want to see it with my own eyes. That's why I want to go with a lot of Japanese Scout friends to Switzerland with BP Trails.com. We will stay in Hotels in Kandersteg village and will also visit the Jungfrauoch together!
